Subject: RE: [External] RE: Docket No. 2020-4-G Piedmont Natural Gas Company - Information Provided for Hearing on Thursday, July 9, 2020 and Information Requested

Dear Parties/Counselors:

In follow-up to the email below regarding additional or update information to provide Skype account addresses for witnesses, I received a telephone call this afternoon about 4:31 p.m. from Roger Hall of the South Carolina Department of Consumer Affairs. The phone call only lasted a couple of minutes at most. Attorney Hall advised that the South Carolina Department of Consumer Affairs will not be participating in the virtual hearing on July 9, 2020 and he inquired whether they (the Department) needed to provide any other information (email address, Skype account address, telephone number, etc.) related to Docket No. 2020-4-G since the Department receives Notice of the Hearing, matters, and this information request as required by law and procedure.

Attorney Hall was advised that the information request in this Docket was related to those participating in hearing that testify or otherwise address the Commission during the virtual hearing scheduled for July 9th. Absent that, then no information or action is needed by the Department or attorney Hall.

Attorney Hall then had a general procedural question about the process for corrections to pre-filed testimony unrelated to this matter and he was referred to another member of the Commission's staff. The Department

of Consumer Affairs has not pre-filed any testimony in this Docket (2020-4-G), his question was procedural in nature, and attorney Hall's question would not be applicable, was not relevant, or otherwise in this Docket even if he had not been referred to another Commission staff member.

By copy of this email to all parties of record as found and listed in the Commission's DMS for this Docket matter, 2020-4-G, I do hereby provide the same information as set forth above to all parties of record and for filing in the DMS in compliance with the Commission's internal policy and procedures related to any possible Ex Parte Communications or Communications with or received by the Commission or its staff whether exempt, required, or otherwise by law or statute.

With kind regards, I am

Jo Anne Wessinger Hill
